

# Friends of Heart

Empowering Life by Sharing Knowledge and Wisdom

## Event Sponsorship Opportunity

We have established a local community group of like minded people who are interested to take charge of themselves through self-management of mind, body and soul.

Friends of Heart is a collaborative group of kindred spirits that empowers life by sharing our cumulative knowledge and wisdom. We will focus on the body/mind/ soul entity and raising awareness. We will arrange lectures, book and documentary reviews.

We spend our lifetime taking care of others; and in the process, we neglect to look after ourselves. If this message resonates with you, then consider joining us and sponsoring our group so we can assist others.

We have already conducted few meetings. You can review photos and reports at:

Future topics will include: Muscle Testing, NLP, Reflexology, Supplements, Heart Health, Eating Raw Food, Living in Green Zone, Detoxification, Depression, etc. and we are looking for event sponsors to cover expenses and bring such presentations.

Friends of Heart is delighted to be able to offer you an opportunity to sponsor a future event.

### **Benefits of Sponsoring:**

You will be provided with the following benefits and promotional opportunities:

1. We will provide you with a table space at the event, which you can use to display products/services and distribute brochures.
2. We will present the opportunity for you to say few words (2 to 4 minutes) about your organization or we will be happy to speak on your behalf.
3. We will offer Complimentary tickets (number to be discussed) to the event for your staff or clients.
4. We will feature a description of your organization in the monthly newsletter (to be launched).
5. We will also feature you on the event brochure and on the event page of our website.

The fee for an event sponsorship is \$200. I hope you will support our group and the community by becoming a Sponsor.
